Sir:

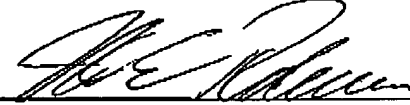

In response to the requirements and rejections contained in the Office Action dated September 12, 2005, reexamination and reconsideration are requested.

Attached hereto please find a supplemental declaration in reissue. In the Office Action, the Examiner required a supplemental reissue declaration and rejected all of claims 1-25 based upon a defective reissue declaration. However, in accordance with the Examiner's further indication, the attached declaration overcomes the rejection as it includes the language required by the Examiner.

As this resolves all outstanding issues in the application, it is respectfully submitted that the application is in condition for allowance, and indication of such is requested.

Respectfully submitted,

Masayoshi HIROSE et al.
